VENDORS - Goat/sheep and Sustainable Farm Related
CATERED LUNCH (not included in admission)
BLUE GRASS BANDS
4-H and FFA YOUTH TO PRESENT ESSAY CONTEST

CHOOSE TWO MORNING WORKSHOPS, AND TWO
AFTERNOON WORKSHOPS.

MORNING WORKSHOPS:

9:00-10:30 FIBER ANIMALS—"From Hoof to Handspun—and beyond" - Caron Wilson, Owner of Freehaven Farm. Learn about the differences in fibers-from Mohair or different sheep breeds. See a variety of fiber arts 'in process' - from prepping the fiber, to spinning, weaving, knitting, felting—you'll see what is possible with sample items and demo's as we recreate with our own hands.

9:00—10:30 HERD HEALTH AND SCRAPIE UPDATE
Dr. Patty Scharko, DVM, MPH. Attendees will learn about the health management of several important diseases, prevention of potential zoonotic diseases, and information on the Scrapie situation in goats and sheep.

9:00-10:30 GOAT NUTRITION AND FEEDING PROGRAMS THAT WORK— Presented by Jackie Nix, Nutritionist—SWEETLIX. You will learn about various feeding programs.

MORNING WORKSHOPS CONT'D

10:45—12:15 MEASURING (through fecal egg counting) AND CONTROLLING PARASITE LOADS ON PASTURE—Presented by Dr. Jean-Marie Luginbuhl, Professor of Animal and Crop Science, NCSU and Dr. Niki Whitley, Animal Science Extension Specialist, NCA&TSU.

10:45-12:15 HERD PERFORMANCE/FARM MANAGEMENT - Presented by Kathy Carr, Animal Scientist and Herd Management Specialist, and ABGA Judge. You will learn how to handle farm management issues and herd performance—be it hobby farm, meat, dairy, or pet...from backyard to large farm production.

AFTERNOON WORKSHOPS:

1:45-5:00 INTERNAL PARASITES—FAMACHA© / Smart drenching Workshop. **COUNTS AS TWO WORKSHOPS**—Dr. Bob Storey, MS, RVT, University of Georgia College of Veterinary Medicine. Attendees will learn about the gastrointestinal parasites of goats and sheep, the drugs used to treat them, drug resistance, and how to slow it down using the FAMACHA © method.

1:45-3:15 KIDDING ISSUES—Evin Evans, BS, MNS; ADGA, AGS, and USBGA Judge, from Split Creek Farm, LLC. Topics will include what to look for in normal deliveries and how to prevent and manage problems.

1:45-3:15 EXPECTATIONS OF BREEDING PROGRAMS USING EMBRYO TRANSFER AND LAPAROSCOPIC ARTIFICIAL INSEMINATION—Presented by Jeff Burroughs, DVM, Small Ruminant Reproduction, and specializes in reproductive services.

3:30-5:00 FOOD REGULATIONS—DAIRY & MEAT PRODUCERS GUIDELINES— DHEC & USDA, and SC Department of Agriculture.

SEMINAR

PLEASE CHECK THE FOUR SEMINARS THAT YOU WISH TO ATTEND. [KEEP IN MIND THE TIMES OF THE VARIOUS WORKSHOPS—CHOOSE TWO FROM THE MORNING SESSION AND TWO FROM THE AFTERNOON SESSION.] The FAMACHA/SMART DRENCHING session counts as two workshops.

Preregistration is suggested because classes are subject to cancellation if a minimum number of people are not preregistered. There may be a maximum class number and when that is reached, we reserve the right to move you to another workshop (first come first served.)

Early entries, on or before March 31, 2010 will receive a \$3 discount on event t-shirt. See Host Websites to view full t-shirt design.

Workshop materials will be included in admission. All workshops that have printed materials will be available to be emailed for \$5 after the event and can be mailed for \$15. Be sure to ask upon registration if you want the seminar literature. (FAMACHA kit expense is \$10. This should be checked and added to payment on reverse side.)

Lunch will be catered by *Friends, Food With a Flair* and available for purchase.

- FAMACHA/SMART DRENCHING —Counts as two 90 minute workshops—Dr. Bob Storey, University of Georgia.
- GOAT NUTRITION AND FEEDING PROGRAMS THAT WORK— Presented by Jackie Nix with the Sweetlix Company.
- HERD HEALTH—SCRAPIE UPDATE—Presented by Patty Scharko, DVM., Clemson University.
- FIBER ANIMALS - “From Hoof to Handspun and Beyond” - Caron Wilson, owner of Freehaven Farm in Simpsonville, SC.

NC MEAT GOAT ASSOCIATION

SOUTHEASTERN GOAT & SHEEP SEMINAR
APRIL 17, 2010

PENDLETON HIGH SCHOOL
7324 Hwy 187
ANDERSON, SC 29625

8:30 AM to 5:30 pm

The information that you will receive from this seminar is “PRICELESS”. The host associations have made this Seminar affordable through their generosity and dedication to the goat and sheep industry. Other sponsors (listed on t-shirt) have made it possible for you to be welcomed at registration with an event packet and workshop materials.

NOTE: Clemson University has approved 7.5 hours of Continuing Education.

BARTLETT MILLING COMPANY, LP
